Report of Inspection Committee that visited Deen Dayal Rustagi College of Management & Technology, Khandewala, Gurugram on 01/09/2022 regarding grant of provisional affiliation for increase intake in MBA program from 60 to 120 seats for/from the session 2022-23

The Inspection Committee comprising Prof. Pardeep K. Ahlawat, Dr. Seema Singh and Dr. Ramphul from IMSAR of the University visited Deen Dayal Rustagi College of Management & Technology, Khandewala, Gurugram on 01/09/2022 to check and verify the requisite infrastructural facilities, eligible faculty and other support systems to the College to consider the matter for increase intake in MBA programme from 60 to 120 seats for/from the session 2022-23.

Observations

After physical verification of the available infrastructural facilities of the College for the above-said programme, the committee makes the following observations:

1. **Compliance:** The committee verified compliance with the conditions imposed by the earlier Inspection Committee. The College has complied with most of the conditions imposed by the previous committee. The College must ensure the availability of the latest computers, printers and books in the library as per AICTE/MDU norms.
2. **Governing Body:** The College has its Governing Body.
3. **AICTE Approval:** The College has already obtained approval from AICTE for running the MBA programme (120 seats) for the session 2022-23.
4. **NBA/NAAC Accreditation:** The College is yet not accredited by NAAC or NBA.
5. **Building:** The College has a multi-storey building with adequate space required for all the above-mentioned courses. The building houses the Principal office, Admin offices, Classrooms, Library, Computer Labs, Tutorial Rooms, Reception Area, Toilets for Boys & Girls, Common Room, etc.
6. **Computer Lab:** The College has only a single Computer Lab having insufficient computers and printers with inadequate UPS backup for the MBA (120 seats), BBA (60 seats) and BCA (60 seats) courses and must purchase computers as per the norms. The College has procured most of the necessary licensed software for the above programmes. The Internet facility with a speed of 50 Mbps provided by the College is satisfactory, and the whole campus is wi-fi enabled.
7. **Faculty:** Besides Director, the College has 7 faculty members for MBA and 6 for BBA courses. The overall faculty strength is satisfactory, also, these faculty members have been approved by the University. However, the College requires additional faculty members for the next year and has to make necessary preparations regarding appointments of the teaching faculty. This is to be made only through properly constituted selection committees as per the AICTE/UGC/State Government/M. D. University norms and maintaining the prescribed cadre ratio.
8. **Non-Teaching Staff:** The College has sufficient non-teaching staff (Librarian, clerk cum data entry operator; peon, etc.) approved by the University, however, library attendant and technical staff need to be appointed. Also, the appointments of the staff be made as per AICTE/UGC/MDU
